Circular Letter No. 28.

August 30, 1909.

To Supervising Principals:--

Supplementing Circular Letter No. 8, dated July 21, 1909, I beg to say that outlines for the "Courses in English for Porto Rican Teachers" are now in the hands of the printer. These courses are for the twenty-five school weeks beginning with October 25, 1909.

As soon as it becomes feasible, a list of those in charge of the respective courses in each town of the Island will be prepared.

We shall be glad of any recommendations or comments which you may care to make regarding what has been said on page 2 of Circular Letter No. 2, dated July 8, 1909, with reference to this matter.

Yours very truly,

F.D.HADDOCK
Acting Commissioner
